

You Are To Be The One

You Are To Be The One

to say whether it has or has not, whether it did its work or failed, whether we are right or wrong. We leave it entirely for YOU TO DECIDE. You get the evidence, weigh it carefully during thirty days, note your bodily feelings and then pass your calm judgment upon it, without hint or suggestion or word from us. It is ALL left to you.

The only evidence we want to put in your hands is a full-sized one dollar package of Vitae-Ore, enough to last you one whole month's time. This package we want you to use, at our risk and expense in sending it, to PROVE TO YOU what Vitae-Ore is, to prove to you what Vitae-Ore will do for you, to prove to you how Vitae-Ore cures. This is all the evidence we offer, for A TRIAL PROVES ITS POWER. YOU CAN JUDGE IT BY WHAT IT DOES.

All we ask is a fair verdict. We say if you are sick, if you are not feeling right, if you need medical aid and attention, that you need Vitae-Ore. We say that one single package, one single month's treatment of Vitae-Ore will prove its power in curing diseases of the body and we therefore send it to you, you to be the judge. You judge it by judging HOW YOU FEEL after you have used it for one month. You know if you feel better, if you sleep sounder, if you digest your food easier, if your Stomach and Liver do not bother you, if your Limbs and Back do not trouble you, if your Heart does not disturb you, if your Kidneys are acting right, if you are stronger, more active and have more red blood in your veins. You can easily judge after one month's trial whether or not your vital organs are acting better, whether or not HEALTH is returning to your body, and if not, YOU DON'T PAY.

You don't pay for promises, but pay only for the HEALTH it brings. You pay for WORK and not for words, and if the work is not done to your satisfaction, you don't pay a penny. You alone are to be the judge. We take all of the risk. You are the one to say "YES" or "NO." Read our special thirty-day trial offer, read what Vitae-Ore is and write for a dollar package on trial.

Our 30-Day Trial Offer

If You Are Sick we want to send you a full sized 30 days' continuous treatment, by mail, postpaid, and we want to send it to you on 30 days' trial. We don't want a penny—we just want you to try it, just want a letter from you asking for it, and will be glad to send it to you. We take absolutely all the risk—we take all the chance. You don't risk a penny! All we ask is that you use V.-O. for 30 days and pay us \$1.00 if it has helped you, if you are satisfied that it has done you more than \$1.00 worth of positive, actual, visible good. Otherwise you pay nothing, we ask nothing, we want nothing. Can you not spare 100 minutes during the next 30 days to try it? Can you not give 5 minutes each day for 30 days to use it? That is all it takes. Cannot you give 100 minutes time if it means new health, new strength, new blood, new force, new energy, vigor, life and happiness? You are to be the judge. We are satisfied with your decision, are perfectly willing to trust to your honor, to your judgment, as to whether or not V.-O. has benefited you. Read what V.-O. is, and write today for a dollar package on this liberal offer.

What Vitae-Ore IS

Vitae-Ore is a mineral remedy, a combination of substances from which many world's noted curative springs derive medicinal power and healing virtue. These properties of the springs come from the natural deposits of mineral in the earth through which water forces its way, only a very small proportion of the medicinal substances in these minerals being thus taken up by the liquid. Vitae-Ore consists of compounds of Iron, Sulphur, and Magnesium, elements which are among the chief curative agents in nearly every healing mineral spring, and are necessary for the creation and retention of health. One package of this mineral substance, mixed with a quart of water, equals in medicinal strength and curative, healing value many gallons of the world's powerful mineral waters drunk fresh at the springs.

Let Living Witnesses Guide You.

A tree is known by its fruit and not by its leaves, as a medicine or remedial agent is known by its cures and not by its claims. For every claim of a cure made by Vitae-Ore we produce the "fruit," in the written evidence of the person who has been cured, in the ringing testimony proving the good we promise through Vitae-Ore is borne out by the experience of people who have sought aid. For a quarter of a century Vitae-Ore has stood the test of the American Public. The people have tried it, have endorsed it, and have recommended it, and its reputation has grown like a green bay tree. Thousands in every state of the Union are using it and praising it—thousands who call it "Our Family Doctor."

Medicines have come and gone, have sprung up in the night like mushrooms, have made broad claims and startling promises, but when the time came to "test the fruit," their branches were barren, the cures were not in them and they passed out into the night, to be heard of no more. Our claims for Vitae-Ore are as strong as can truthfully be made for any one medicine, but their strength comes from the strength of the medicine itself, from its actual power in diseased conditions. Its record proves what this power has been in other cases, covering a wide range of ills and diseases—a fair trial will prove its power in yours.

Let the experience and testimony of countless thousands of "Living Witnesses," men and women from every clime, young and old, guide you. Follow their lead and turn to Vitae-Ore for the health you seek, the great blessing of active manhood and womanhood that makes life a joy. You can test it for the asking—just a letter. How can you refuse to try it?

IF YOU DON'T FEEL RIGHT If there is something wrong in the workings of your system, something wrong with your sleep, your digestion, your blood, your nerves and your vitality, you cannot afford to suffer another day when the thing that has set thousands right is offered you without a penny's risk, when it takes but a letter to start you on the treatment which has won international reputation by the work it has done for thousands. You cannot lose a penny—you win back health or pay nothing. YOU ARE TO BE THE JUDGE. Write today for that which thousands have used and are using with the success denied them in other treatments, and start the treatment immediately. ADDRESS

USE VITAE-ORE FOR

Rheumatism, Kidney, Bladder, and Liver Diseases, Dropsy, Stomach Disorders, Female Ailments, Functional Heart Trouble, Catarrh of Any Part, Nervous Prostration, Anaemia, Sores and Ulcers, And Worn-out, Debilitated Conditions.

DR. SMITH CURED.

Severe Case of Bright's Disease Entirely Relieved By It.

MINNEAPOLIS, KAN.—I have used Vitae-Ore personally for some time. I was troubled with Bright's Disease, my feet being so swollen at times that I could not wear my shoes, complicated with Gastralgia (pains in the lower part of the abdomen). All of this has

left me, I using nothing but Vitae-Ore. I will say further that I used this remedy in my practice with a degree of success that I have never attained with any other remedy, and shall continue to use it as long as I can produce it.

G. W. SMITH, M. D.

THEO. NOEL CO., NATIONAL DEPT. VITAE-ORE BLDG., CHICAGO.

"Heap Good; No Be Sick"

COL. BLUMENROTHER answered our advertisement in The National Tribune (in which paper we have advertised for years) and received a package of Vitae-Ore on thirty days' trial. We now number him among the thousands of staunch friends which Vitae-Ore has among the boys who fought and suffered on both sides during the dark days of 1861-'65. Read what the Colonel has to say about Vitae-Ore:

LANGLOIS, ORE.—In December I took the liberty to write you for a sample of Vitae-Ore as a trial, and upon receiving the package which you sent me I must say I was rather skeptical as to its use, but I remembered of one time, while prospecting in Southern Colorado, of seeing the Indians at some of the Hot Springs chipping off pieces of rock, which formed the vein around the Hot Spring. When I asked them what they did that for they told me, "Heap Good, No Be Sick." We thought nothing of it at that time, for we used the spring water. I took several pieces along with me when I traveled. Shortly after this one of my partners became sick, and I happened to think of the rock, I concluded to try it on him. I pulverized it and gave him a small quantity in a cup of water, and he began to mend at once. Thinking of this, I decided to test your Vitae-Ore, and to say I was surprised at the effect it had on me is putting it very lightly. I consider the effect on me short of marvelous. It put vigor into me and removed all aches and pains in this short time. I cannot express in words my thanks for the good Vitae-Ore has done me. It aided me when other medicines failed. I most heartily recommend Vitae-Ore to every old soldier who is sick and ailing. I went to Bandon a few months afterward, and the old War Boys said: "Colonel, you look better than I ever saw before in years. Have you found the Fountain of Youth?"

COL. C. T. BLUMENROTHER, Late 68th Regt., N. Y. V. L., 1861-'65.

RESULTS FAR BEYOND HIS EXPECTATIONS.

Advises All His Old Comrades to Use Vitae-Ore.

NEW HOLLAND, O. For the last six years I have been afflicted with Sciatic Rheumatism and unable to do farm work, and finally I had two partial strokes of Paralysis. I was induced to try Vitae-Ore. The first package I used did me some good, and after using two packages I am glad to say the result is far beyond my expectations. I have scarcely any Rheumatism at all and my general health is much better. I advise my old comrades of the Civil War to give it a trial.

W. L. MALLOW.

COULD HARDLY WALK.

Good Work Like This Shows Why Vitae-Ore Can Be Offered On Trial, the User To Be the Judge.

Houma, Ala.—Three years ago I was running a dynamo near Ounay, Colorado, and fell from a water dam and hurt my hip. This injury developed into what the doctors called Rheumatism and Lumbago. I tried the doctors there and all the patent medicines I could get, with no relief and therefore had to give up my position and come home. I tried our physician in North Alabama, and he is as good as any that ever compounded a pill or wrote a prescription, but he could do me no good; then I tried a specialist and he failed. I also tried Pollock Oil, Barfoot and old Bacon Ointment, also Whiskey and Folk Root and all the old remedies which we folks down here generally use, and all with no relief. This kept up until I could hardly walk a step. My appetite was gone, my flesh was gone, and I thought I was gone. When I noticed the Vitae-Ore advertisement and sent for a package, I had no faith in anything. I was just grabbing at every straw in reach. You sent me the package of Vitae-Ore, telling me to take it according to directions, which I did. You also wrote me to report results, and I said if I was not benefited not to use it. In 18 days I felt like a new man. I could walk five miles and walk perfectly straight and had gained 7 pounds in weight. I have taken five packages of Vitae-Ore and am well. I WALKED 15 MILES YESTERDAY AND CARRIED ABOUT 40 POUNDS. I am still taking Vitae-Ore and I advise any one who is suffering to try it.

FRANK KING.

A Mexican War Hero Tells of Its Powers

Read this Affidavit from one of the few survivors of this conflict, Vitae-Ore prolonged his life.

Mrs. TERRY. I, W. F. Clendenning, of the County of Sumner and State of Tennessee, do hereby testify under oath that I have been suffering from Kidney Trouble for more than three years. I had to get up eight and nine times a night to urinate. I also had a ringing in my ears and that has left me. I could not sleep and was very restless. I have. I am 61 years old and the Vitae-Ore has done me good. I have tried other medicine and I owe all my present health to it. I was through the Mexican War in 1847 and 1848. I think Vitae-Ore will prolong any man's life.

W. F. Clendenning

STATE OF TENNESSEE } ss. COUNTY OF SUMNER } ss.

I, John M. Guthrie, acting Justice of the Peace for Sumner County, State of Tennessee, do hereby certify that W. F. Clendenning appeared before me in person and made oath as to the truth and correctness of the above statement and signed and sealed same in my presence. Given under my hand and seal this 5th day of November, 1904.

J. M. Guthrie, J. P.

WHAT OTHER GRAND OLD VETERANS SAY:

ERIC COUNTY, OHIO.—I received your trial package of Vitae-Ore and must tell you that it has done my Rheumatism more good than any other medicine I have ever tried. JAMES ARTHUR. The Ohio Soldiers and Sailors Home.

ELWOOD, IND.—I have found Vitae-Ore to be the best medicine for the Kidneys I ever saw or used. My Kidney trouble is nearly all gone and the Piles are entirely cured. I am an old soldier of the Civil War, nearly 71 years of age. G. W. BANNON.

NATIONAL HOME, KANS.—Vitae-Ore was a God-send to me. I have fully recovered my health. You are doing a noble work. I have recommended your wonderful discovery to many of my old comrades. Late Sergt. Co. F, 1st Reg. Wis. Vol. Infantry.

NAT. MILITARY HOME, OHIO.—I can truly say that Vitae-Ore has done all that is claimed for it and more too. It has restored my health. I have been suffering from various diseases but now feel that I have been cured of Catarrh, Rheumatism and Urinary Troubles. I can sleep well now and have a good appetite. I have recommended Vitae-Ore to many of my old comrades. HERBERT HUBB.

WINONA, N. DAK.—My husband took three packages of Vitae-Ore with great benefit, so much so that his rheumatic pains all left him; the swelling has left his hands and feet and he is able to work around doing chores, a thing he has not been able to do for a year. He is 71 years old and a Veteran. Mrs. W. W. BANNON.

TYLER, WASH.—For over forty years I have been ill. My Stomach and Bowels became badly diseased during the war. From starvation in a Confederate prison, and Rheumatism, Liver and Kidney Disease followed. Although I tried many doctors and medicines I got no relief until I took Vitae-Ore. It straightened me out and has made me young again. I feel as if I were twenty years old instead of seventy, and I am able to do a lot of work. I have two comrades who were using cases when they began taking Vitae-Ore and now they are walking without any aid. J. M. JOHNSON.

SEYDERTVILLE, PA.—Vitae-Ore has done a great good for me and my husband who is a G. A. R. man, and who contracted his ailment while he was in the army. He has suffered with Indigestion and Kidney and Stomach Trouble for thirty years and has spent thousands of dollars for all kinds of patent medicines and the service of the best doctors in the country and failed to obtain relief. There has scarcely been a night since I can remember that he did not have to take medicine to move his bowels. He had to live almost on crackers and often suffered intense pain. Since he commenced taking Vitae-Ore he has been free from pain and appears like a new man altogether, in fact he has not felt so well in thirty years. BELLS SNEZER.

A Veteran's Experience.

A Badly Aggravated Case Yields Readily to Vitae-Ore.

ATLANTA, GA.—I hardly know how to say what I want to in behalf of Vitae-Ore, which cured me after I had given up all hopes of ever getting around again. More than thirty-eight years ago, while in the Civil War, I contracted the Diarrhea, which became chronic and also Piles, from which I suffered for twenty years. Later I was stricken with indigestion and had to give up work. I tried many skilled physicians, colleges and sanitariums and most every known treatment, but all seemed only to add fuel to the fire. I grew worse from day to day and my physicians advised me that my only hope was in traveling. I traveled for about a year by private conveyance, but at the end of the year I was worse and more emaciated and finally had to give up. My trouble at this time was aggravated by Kidney Disease, Rheumatism and Nervous Prostration. The doctor also telling me that I had appendicitis and that nothing could save me but an operation. The Piles became internal and a Fistula made its appearance. By this time I was given up by all as positively incurable. I heard of Vitae-Ore and purchased a package, but had it in the house for over a month before I could take it, as I was so low that those around me were afraid to have me use it. I told my daughter, who had been a trained nurse, that I wanted to use the Vitae-Ore and she answered: "When you give up a good physician for a remedy you know nothing about, you are going to die." I told her that death would be preferable to the torture I was then suffering and commenced to take Vitae-Ore that Thursday. By Saturday I could sit up a little and soon began to walk about.

I now weigh seventy pounds more than I did and feel better than I have for thirty-eight years.

It seems surprising that so much good and such a cure could be accomplished in so short time with one medicine. I wish that I could see every sufferer with Indigestion, Rheumatism, or Bladder trouble, or any of the ailments I had, so I could tell them of this medicine.

J. D. DODD, 345 W. Third St.

A BLESSING TO RHEUMATICS.

Rheumatism is caused by absorption into the blood of refuse matter, which should be carried out of the system through the proper channels. The poison destroys the purity of the blood and as it circulates through the body the acid particles thrown off penetrate the joints, muscles, membranes and even the bones. Vitae-Ore is well adapted for the cure of Rheumatism, Gout, Lumbago, etc., and has many times been successful in chronic cases of such long standing as to be thought incurable. Alkalies, the remedies that are almost invariably prescribed fail to cure because they weaken digestion, irritating the delicate lining of the stomach, thus making instead of building up the system. Vitae-Ore is a blood purifier and is absorbed into the blood, correcting poisonous products, and gradually eliminating them from the system. Under its use, this blood is made pure and rich and as it is carried through the body nourishes and soothes the irritated tissues, and dissolves the poisonous deposits that have collected in the joints and seizes them out of the system. Cures with it are lasting. In severe cases crutches are often thrown away, never to be used again.
